EDUCATION

Western Governors University (WGU)

Millcreek, UT

Accelerated Computer Science Bachelor's and Master's Degree

Expected Start: August 2026

- **Relevant Coursework:** Data Structures and Algorithms, Software Engineering, Computer Architecture, Advanced Database Management.

International School for Liberal Arts (ISLA)

Bronx, NY

High School Diploma

September 2016 - July 2019

WORK EXPERIENCE

Year Up / Year Up United

New York, NY

Data Analyst Trainee

Expected Start: September 2026

- **Developing proficiency in Python and SQL** to build, debug, and optimize code for cleaning, manipulating, and analyzing structured datasets.
- **Collaborating in Agile**, team-based sprints to solve algorithmic problems, write and review code, and manage version control via Git.
- **Applying object-oriented programming** and data structures fundamentals from coursework to hands-on technical projects.

PLS Check Cashers

Bronx, NY

Customer Service Representative (CSR)

November 2021 – December 2022

- **Engineered resolutions for complex account discrepancies** and electronic payment system errors under fast-paced operational conditions.
- **Evaluated sensitive legal documentation** and identity data for 100+ customers daily, ensuring 100% compliance with BSA/AML and KYC regulations.
- **Audited high-risk transactions** and system logs to detect irregularities, applying systematic troubleshooting to minimize errors.

LEADERSHIP EXPERIENCE

Food Garden Market

Brooklyn, NY

Supervisor

December 2022 - June 2026

- **Modeled data points for floor inventory patterns** and structured replenishment workflows to optimize supply chain cycles, achieving zero stockouts during peak operational hours.
- **Enforced standard operating procedures (SOPs)** across a team of 50+ employees, using operational metrics to maintain efficiency benchmarks.
- **De-escalated high-stakes operational** conflicts through structured, data-driven problem-solving.

SKILLS & INTERESTS

Frontend: HTML | CSS

Backend / Core: Python | Java | SQL | Relational Databases | Object-Oriented Programming (OOP) | Data Structures & Algorithms | Computer Architecture | Systems Design

Tools & Practices: Git/Version Control | Software Development Life Cycle (SDLC) | Agile

Languages: Spanish (Native) | English (Fluent)

Interests: Technical Growth & Continuous Learning | PC Building | Behavioral Economics & Leadership | Culinary Arts | Fitness & Strength Training
